

The Department for Education has introduced a statutory duty for schools to promote British Values more actively from September 2014, and to ensure they are taught in schools.

At Clifton Primary School we take very seriously our responsibility to prepare children for life in modern Britain. We value the ethnic backgrounds of all pupils and families and undertake a variety of events and lessons to celebrate and explore these alongside other cultures in our country.

We ensure that the fundamental British Values are introduced, discussed and lived out through the ethos and work of the school. All curriculum areas provide a vehicle for furthering understanding of these concepts. Our cross curricular approach provides excellent opportunities to deepen and develop understanding developing the spiritual, moral, social and cultural education of our children.

The school makes considerable efforts to ensure children have exposure to a wide experience beyond their local community during which these concepts are shown, through for example, sporting events, a range of visits and use of outdoor education centres. Their strong rooted values-based understanding gives them an excellent platform for embracing difference.

At Clifton, we value the voice of the child and promote democratic processes such as our school council whose members are voted for by the children. Ideas and events are planned and discussed with a chance for debate and putting forward points of view.

Children are given responsibility to help other children ((e.g. at dinner time older children help younger ones) and lead other children in games and activities so that they are fully involved in all aspects of school life. We expect all our children to be good role models for each other, which is encouraged through high expectations of behaviour.

Fundamental British Values

Democracy

Statement	Evidence	Impact
The children at Clifton Primary see democracy borne out in a whole variety of ways and see this as being an essential component of successful team working	The establishment of a new School Council each year models the democratic process	Children are able to work cooperatively in pairs and groups as well as in whole class situations. They understand about turn taking and respecting the views of others.
	School Values	Children in school are able to use the language of respect
	Enrichment visits	Children visit centres of democracy (for example 10 Downing Street)

Rule of Law

Statement	Evidence	Impact
